Principal: Mr. Wayne Funk ~ Associate Principal: Ms. Jill McDonald

Dear Community Partner,

Thank you for your interest in helping us complete the playground at George Freeman School and Strathmore Motor Products Sports Centre, now named the Keith Schneider Community Playground.

Because every school and every community centre needs a playground, our committee pushed forward and constructed our playground for the start of the 2019-2020 school year, however we still need your help to pay for this large project. Our playground has enhanced the outside of the facility and includes a playground, community garden, and parkour course. We will be adding a picnic area in the spring/summer of 2020. The park is accessible and fun for citizens of all ages and abilities. As this is a public facility, the playground is utilized by George Freeman School students, as well as users of the Sports Centre, and Strathmore and Wheatland County residents.

The total cost of the playground project is \$430,000. We currently have fundraised \$364,000 and need your help to finish the job!

We invite you to partake in our "Building Everyday Heroes" fundraising initiative by purchasing a brick to be placed in the picnic patio.

Cost of the bricks are \$75 for a 4"x8" brick, \$150 for the 8"x8" brick and \$300 for the 12"x12" size brick. Attached is the order form and instructions.

Thank you for your consideration to be a part of building smiles in our community. Please contact Jill McDonald at 403-361-2202 or jill.mcdonald@ghsd75.ca with questions or to place an order.

Sincerely,

The George Freeman School Playground Committee

Proposed placement of the picnic patio Bricks
Summer 2020

OPTION 3: LARGE

	12" x 12" = \$300
--	--------------------------

Engraved message-maximum 6 lines, 20 UPPERCASE letters including spaces and punctuation OR have a logo on your stone. We are unable to do both letters and logos on one stone. Please contact us to arrange for logos.
