

# WELCOME TO OUR HOLIDAY FUNDRAISER

This winter George Freeman School wants to help you celebrate the holiday season with beautiful poinsettias, wreaths, and planters! By purchasing these festive plants this winter not only will you be spreading holiday cheer you will also be supporting our school!

Our Falcons have decided to share the holiday kindness by giving an option to show **Action in Character** by **donating a poinsettia to a senior at Sagewood in Strathmore**. By showing support for others, you impact our school and community through **Action in Our World**. You also take **Action in Life** by showing you care about the mental health of members of your community which has a huge impact during the holidays.

To donate a poinsettia, please write DONATE in the Customer Information section. The proceeds go to the school, the poinsettia goes to Sagewood. **\*\*This is an excellent option for those who wish to support our school, but do not live in the Strathmore area.**
